*Whenever God determines to do a great work,
He first sets His people to pray.*

It is a true statement that the church rises and falls
on the prayers of its people.

We can have wonderful programs, the best
resources, and committed people but if we aren't
seeking the Lord's guidance and blessing we're
simply going through the motions of ministry.
If the church is to be successful it must be built on
the foundation of prayer.

We know that our church is a praying church.
We also know that God calls certain individuals to
the ministry of prayer - those who will be His true
prayer warriors in the church.

We need people to pray!
If you sense a calling to prayer and would like to
join with a team of others committed to a ministry of
intercession please consider being part of our
Prayer Ministry Team!

We're better together!
