South Oakland Shelter
Breaking the cycle of homelessness

Providing Care for the Homeless

SOS is our partner ministry with South Oakland Shelter.

Once or twice a year our church will house, feed and care for approximately 30 homeless individuals for one week. Often this group includes families with children of all ages.

Our SOS ministry team needs persons to help in areas such as meal preparation, transportation, overnight crews, and persons who will simply spend time loving our guests. Whatever time you can give to this ministry will be greatly appreciated and a blessing to you. Persons signing up with interest in the ministry will be contacted as the next hosting date is assigned by South Oakland Shelter.

If you want to provide love and care to the homeless of our area our SOS ministry team is your place to serve.

We're better together!
