The Meals Ministry of the Church

The Church Services Committee makes sure the church is well fed, literally!

Whether it's a small luncheon for a ministry group or feeding 300 at a church-wide dinner the Church Services Team works to make sure everyone is fed in Jesus' name. This ministry oversees all of the meal events of the church, such as church-wide dinners, funeral luncheons, and other special gatherings. Team members also oversee the care of the church kitchens and make sure they are kept properly supplied.

While most church-wide meals take place on Sundays, other meal events can take place any day of the week. If you can be available for daytime events that will be a real plus.

If you like serving others through a meals ministry please consider being part of our Church Services Ministry Team.

We're better together!
